

DOMINOES Vocabulary and Terms Review Game

By Julie Faulkner, The Game Guru

{Games with a Purpose}

www.teacherspayteachers.com/Store/Julie-Faulkner

Suggestions for Use: Print them on colored paper, cut them out as a set, bag them, pair the students, and then they make a domino train by matching the words/pictures. Be sure to have your student use their device to say the color word before they can take their turn. You can also practice words such as 'go', 'stop', 'more', and 'turn'.

Looking for some dominoes already made up? Check out my set for writing vocabulary including main idea, thesis statement, citations, and more! <http://www.teacherspayteachers.com/Product/Writing-Vocabulary-Dominoes-Game-Test-Review>
